

Grades 5–12 Digital Photo and 2D Artwork Show

Who? Any student from 5th to 12th grade is eligible to participate from NVEF sponsor towns. One student name per digital photo OR 2D artwork please.

What? Is a photo/2D artwork worth a thousand words? We think so! We are looking for photos that emphasize Earth Day. This is a day to celebrate our environment: air, water, land, wildlife, ecosystems, etc.... The photo must represent one or more Earth Day themes. Why is Earth Day important to our planet?

Where? NVEF 2019 Earth Day Digital Photo and 2D Artwork Show will be showcased from 11AM–4PM on Saturday, April 27, 2019 at Tenafly Middle School as part of our Earth Day Celebration!

When? Teachers (usually the Art Teacher) from each participating school will submit one photo (1 per grade) and one 2D artwork (1 per grade) to the NVEF town representative by Wednesday April 10, 2019 at the latest.
